**Peer On Demand**  
Consultant  
August 2008

- 1 Where are you going?
- 2 How will you get there?
- 3 Are you there yet?

Recent Major Project Collaborations

|   |             |
|---|-------------|
| <b>Descartes.com</b> Corporate Site         | Summer 2007 |
| <b>WLU MBA</b> Program Brochure             | Spring 2008 |
| <b>webLakes.com</b> Corporate Site          | Summer 2009 |
| <b>BuildingScience.com</b> Information Site | Spring 2010 |

My strength is communicating business needs and building consensus between both design architects as well as engineers so that form and function are satisfied by a project. I have expert programming skills and up-to-date graphic design tools that I use to facilitate project completion while focusing on the usability and maintainability of the work completed.

WORK  
EDUCATION
